June 1-Aug. 31, 2019

Join the Pierce County Library System in Adult Summer Reading. Challenge yourself to read more, rate and track the books you read, and enter to win prizes! Anything you read, watch or listen to counts—books, books on CD, newspapers, e-books, magazines, movies or music.

**Instructions:** On the back of this log, write down what you read, watch or listen to. Every title counts as an entry into a drawing to win prizes! When the library visits you, turn your log into library staff or return it in your homebound bag and get a new log.

**Where:** Library staff will bring reading logs to residences and send logs in homebound bags. Please do not turn in your entries to library branches. Only turn in your log when the library visits you or in your homebound bags.

**Prizes:**

- The first time you turn in one of these sheets you will receive a prize while supplies last!
- Every sheet you turn in will be entered into a drawing for additional prizes.
- Prizes will be drawn on or after Sept. 3, 2019. You will be notified if you win!

**Write us a review!** Did you read, watch or listen to something wonderful?
